"NATUROPATHIC PHYSICIANS ACT."

May 17th, 1939.

PURSUANT to the provisions of section 8 of the "Naturopathic Physicians Act," being chapter 204 of the "Revised Statutes of British Columbia, 1936," His Honour the Lieutenant-Governor in Council has been pleased to approve the following regulations made by the Board of Naturopathic Physicians, and added to the regulations of the said Board approved by Order in Council No. 110 of 1938, as amended by Order in Council No. 635 of 1939:—

REGULATIONS UNDER THE "NATUROPATHIC PHYSICIANS ACT"
FOR PHYSIOTHERAPISTS AND MASSEURS.

Interpretation.

72. "Society" means "The British Columbia Society of Physiotherapy and Massage Practitioners."

Business of Society.

73. Business and meetings of the Society shall be in accordance with the incorporated by-laws of the Society.

Registration and Examination.

74. Every applicant for Registration under Part II. of the Act shall file with the Registrar:—

- (a.) Evidence of identification.
- (b.) Affidavit of two reputable citizens of the Province attesting to the good moral character of the applicant.
- (c.) If a physiotherapist, proof of qualification as prescribed in section 26 of the Act.
- (d.) If a masseur, proof of qualification as prescribed in section 27 of the Act.

Forms of Application.

75. Every applicant for examination to obtain a certificate of registration under Part II. of the Act as a physiotherapist or masseur, as the case may be, shall furnish to the Examining Board the information indicated in a form of application to be furnished by the Board from time to time. Such application shall be filed with the Registrar at least one month before the date of the examinations. The applicant shall at the time of filing of such application pay the Association the sum of \$25, for which credit will be given on account of the registration fee.

Inquiry into Qualifications.

76. The Examining Board shall inquire into every candidate's qualifications, and if the Examining Board is satisfied that the candidate is entitled to sit for an examination it shall so notify the candidate.

Fees—Annual Fees.

77. The annual fee for each physiotherapist shall be \$15 and for each masseur shall be \$10 and, as the case may be, shall be payable on or before the first day of February in the year for which the same is imposed, and each member on payment of the said fee shall obtain a certificate under the seal of the Association, stating what qualification he is entitled to practise and that the certificate is in force for the year in respect of which the annual fee is imposed. The annual fee shall be paid by each member so long as his name is on the register, whether he is practising or not; provided that any member may at his own request have his name removed from the register, and any member whose name has been so removed from the register may have his name replaced on the register at his own request without examination by paying the Association the annual fees which would have been payable by him if his name had not been removed. The said reinstatement fee shall not exceed \$60 in the case of a physiotherapist and \$40 in the case of a masseur.

Penalty for Non-payment of Annual Fees.

78. The Board shall have the power to cancel or suspend the registration of any member who has not paid the annual fee on due date, and the Board shall have the power to reinstate such registration upon payment of the annual fee.

Fee for Registration and Examination.

79. The fees for registration and examination under Part II. of the Act shall be physiotherapist \$150, masseur \$100, which will include the annual fee to the end of the fiscal year in which registration is made.

Payment of Registration Fee.

80. Every candidate who presents himself for examination shall deposit with the Registrar the required fee, as prescribed in section 79 hereof, at least two weeks before the time set for the examination. The sum of \$25 referred to in section 75 hereof shall be deemed to be a payment on account of the said fees.

Procedure following Examination.

81. If the candidate passes in all subjects to the satisfaction of the Examining Board a licence to practise physiotherapy or massage, as the case may be, shall be issued as hereinafter mentioned to such candidate. If a candidate shall fail in not more than three subjects of the examination such candidate may, without losing credit for the subjects passed, and by paying an additional fee of \$50, be permitted, within one year from date of failure to pass, to take another examination on the subjects in which the candidate failed, such examination to be taken at the convenience of the Examining Board.

On Failure, Portion of Fee to be Returned.

82. If any candidate is unsuccessful in his examinations, the Association shall return to him the sum of \$100 for a physiotherapist application or \$65 for a masseur application, as the case may be.

Board to issue Certificates.

83. The Examining Board shall decide as to whether or not any applicant has duly passed the examinations and shall communicate its decision to the Board of Naturopathic Physicians. The Board of Naturopathic Physicians shall thereupon pass a resolution that the candidates who have passed the examinations to be registered as physiotherapists or masseurs, as the case may be. The Board of Naturopathic Physicians shall designate a time and place at which the successful candidates shall appear

before the Board to receive their certificates to practise. The successful candidates shall take such oath as may be prescribed by the Board of Naturopathic Physicians.

Fees to be the Property of the Association.

84. All annual fees and registration fees payable under Part II. of the Act or under the regulations shall be the property of the Association, and shall be received and accounted for by the Treasurer of the Association.

Part of Fees to be paid to the Society.

85. For the purpose of educational and research work to be carried on by the Society, and for such other purposes as the Society may determine, the Association will pay the said Society 25 per cent. of all annual and registration fees collected by the Association.

For the purpose of striking an amount to be paid by the Association of Naturopathic Physicians of British Columbia to the Society of Physiotherapists and Masseurs to the end of the year 1938, the Association of Naturopathic Physicians of British Columbia shall pay, in addition to all other payments made to date, the sum of \$200, and commencing with the year 1939 the said Association will pay the Society 25 per cent. of all annual and registration fees collected by the Association as aforesaid.

The Society of Physiotherapists and Masseurs shall liquidate and discharge all debts and obligations incurred and payable by the said Society.

Discipline.

86. Sections 53 to 65 of these regulations shall apply mutatis mutandis, to physiotherapists and masseurs.

Electric Steam Masseur.

87. Any masseur who has been using the Noishiki steam massage method in his practice may continue the use of this apparatus without being registered as a physiotherapist; provided that such person has been using the said Noishiki method exclusively in his practice for not less than three years prior to the passing of the "Naturopathic Physicians Act Amendment Act, 1937," and is registered as an electric steam masseur.

Displaying Registration Certificate.

88. Every physiotherapist and masseur shall display in his office in a conspicuous place his registration certificate and annual renewal certificate as evidence to the public that he is duly registered to practise as a physiotherapist, electric steam masseur, or masseur, as the case may be.

Advertising.

89. (a.) No person registered under Part II. of the Act shall make use of any form of advertising other than the card system, and the name, trade-name, and address of the advertiser shall appear in every advertisement issued by him.

(b.) No person registered under Part II. of the Act shall make any reference in any advertisement issued by him to the fact that he uses any electrical or other apparatus in his treatments.

(c.) No physiotherapist, masseur, clinic, or club employing physiotherapists or masseurs shall give prospective patients free treatments as an introduction or for advertising or other purposes.

Restrictions.

90. No physiotherapist or masseur shall give hand-massage treatments or baths to persons of his or her opposite sex, unless such hand-massage treatment or baths are given in pursuance of a prescription of a registered naturopathic physician or a qualified medical practitioner.

Any person committing a breach of this section shall be deemed guilty of misconduct and may be suspended or removed from the register by the Board.

Representation of Society to Board.

91. The Society shall appoint two members in addition to the president of the Society to represent the Society at any meeting of the Board whereat any matters pertaining to masseurs or physiotherapists may be discussed or considered or in matters pertaining to the welfare of the Society as a whole. The said two representatives and president to have the right to vote at any of the said meetings. The said representatives of the Society to hold office for one year from date of appointment.

92. In these regulations the singular shall include the plural and masculine shall include the feminine.

PUBLIC UTILITIES COMMISSION.

PURSUANT to the provisions of the "Public Utilities Act," His Honour the Lieutenant-Governor, by Order in Council dated the 16th day of May, 1939, has been pleased to approve the following regulation made by the Public Utilities Commission on the 11th day of May, 1939:—

"PUBLIC UTILITIES ACT."

REGULATION 4.

A Regulation amending the Tariff of Fees prescribed by Regulation 2 of the Public Utilities Commission.

1. The tariff of fees prescribed by Regulation 2 of the Public Utilities Commission is hereby amended by the addition of a scale of fees herein set out, payable in respect of applications under the provisions of section 23 of the "Public Utilities Act."

2. The fees to be paid on any application for approval of any mortgage, charge, or other transfer of property by way of security shall be based on the amount to be secured thereby, in accordance with the following scale:—

For the first \$25,000	\$25.00
For all amounts over \$25,000 and under \$100,000, per thousand dollars additional ..	1.00
For all amounts over \$100,000, per thousand dollars additional ..	.50

Provided that where the security is given in connection with the issue of stocks, bonds, debentures, securities, or other evidence of indebtedness in respect of which an application is concurrently made under the provisions of section 21 of the "Public Utilities Act" and where the proper fees have been paid on such concurrent application, then the fees herein prescribed shall not be payable.

3. The fees to be paid on any other application under the provisions of section 23 of the said Act shall be based on what the Commission deems to be the real consideration given for the property, in accordance with the following scale:—

For the first \$25,000	\$25.00
For all amounts over \$25,000 and under \$100,000, per thousand dollars additional ..	1.00
For all amounts over \$100,000, per thousand dollars additional ..	.50

4. The application fee shall be paid before the application is considered by the Commission. If the application is withdrawn or is refused in whole or in part, such part of the

application fee may be refunded to the applicant as seems reasonable to the Commission in the circumstances of the case.

5. This regulation may be known and cited as "Regulation 4 of the Public Utilities Commission."

PUBLIC UTILITIES COMMISSION.

[SEAL.] W. A. CARROTHERS, *Chairman*.
4645-my25

PURSUANT to the provisions of the "Public Utilities Act," His Honour the Lieutenant-Governor, by Order in Council dated the 16th day of May, 1939, has been pleased to approve the following order made by the Public Utilities Commission on the 12th day of May, 1939:—

IN THE MATTER OF AN APPLICATION OF COLUMBIA-VANDERHOOF POWER COMPANY, LIMITED, FOR APPROVAL OF A PROPOSED ISSUE OF SHARES.

W. A. CARROTHERS, D.F.C., PH.D., *Chairman*.
L. W. PATMORE, LL.B., K.C., *Commissioner*.
J. C. MACDONALD, B.A., B.E., *Commissioner*.

The twelfth day of May, 1939.

Upon reading the application herein of Columbia-Vanderhoof Power Company, Limited, dated the 6th day of April, 1939, for approval of an issue of shares of the applicant to Columbia Power Company, Limited, and others, and upon reading the statutory declaration of Alexander Leith Murray made in support of the said application on the 8th day of May, 1939, and filed, and the other documents filed herein:

This Commission hereby orders that approval be and the same is hereby granted of the issue by the said applicant of forty (40) 7-per-cent. cumulative preference shares and two hundred and forty-eight (248) shares without nominal or par value to the persons and on the terms mentioned in the said statutory declaration of Alexander Leith Murray.

It is further ordered that the said shares be sold or disposed of within six months from the date of this order, and that the proceeds of such issue be applied to the purposes set out in the application herein and not otherwise; provided that no commission shall be paid to any person for procuring a subscription for shares until the memorandum or articles of the Company are amended so as to allow such a payment.

It is further ordered that the applicant report to the Commission by affidavit as follows:—

- (a.) Upon the sale of the said shares or any of them authorized as aforesaid, the particulars of such sale or sales, the terms and conditions thereof, and the amount realized therefrom; and
- (b.) In reasonable detail the use and application by the applicant of the amount so realized until such money shall have been fully expended; and
- (c.) Upon the amendment of the memorandum or articles of the company allowing it to pay a commission to persons procuring subscriptions for shares, the terms of such amendment.

PROVINCE OF BRITISH COLUMBIA.

"FEMALE MINIMUM WAGE ACT."

ORDER No. 63.

Order establishing a Minimum Wage in the Fruit and Vegetable Canning Industry.

THE Board of Industrial Relations hereby orders:—

1. That where used in this Order the expression "fruit and vegetable canning industry" means and includes the work of females engaged in all operations in or incidental to the canning of any kind of fruit or vegetable.

2. That the minimum wage on a time-rate basis for every female employee in the fruit and vegetable canning industry (not included in any other Order of the Board), with the exceptions provided by section 3 hereof, shall be not less than:—

- (a.) The sum of twenty-seven cents (27c.) per hour for every hour up to ten (10) hours in any one day: Provided, however, that no such employee in any one day shall be paid less than the sum of eighty-one cents (81c.):
- (b.) The sum of forty cents (40c.) per hour for every hour in excess of ten (10) hours and up to twelve (12) hours in any one day:
- (c.) The sum of fifty-four cents (54c.) per hour for every hour in excess of twelve (12) hours in any one day:

Provided that, in every case where any employee's regular rate of pay is in excess of the rate prescribed in subsection (a) hereof, no deduction shall be made from such regular rate to be applied to wages due for working overtime in excess of ten (10) hours in any one day, and in no case shall the rate of pay for hours in excess of ten (10) in any one day be less than the rates fixed in subsections (b) and (c) hereof, respectively.

3. That, provided when (but not until) an employer has paid ninety per centum (90%) of his female employees in the fruit and vegetable canning industry on a time-rate basis at a rate or rates not less than the rates fixed by subsections (a), (b), or (c) of section 2 hereof, he may then pay the other or others of his female employees (inclusive of handicapped female employees in respect of whom permits must have been obtained under section 5 of the

said Act) at a lesser rate or rates, but in no case shall such lesser rate or rates be less than:—

- (a.) The sum of twenty-five cents (25c.) per hour for every hour up to ten (10) hours in any one day: Provided, however, that no such employee in any one day shall be paid less than the sum of seventy-five cents (75c.):
- (b.) The sum of thirty-seven and one-half cents (37½c.) per hour for every hour in excess of ten (10) hours and up to twelve (12) hours in any one day:
- (c.) The sum of fifty cents (50c.) per hour for every hour in excess of twelve (12) hours in any one day:

Provided that, in every case where any employee's regular rate of pay is in excess of the rate prescribed in subsection (a) hereof, no deduction shall be made from such regular rate to be applied to wages due for working overtime in excess of ten (10) hours in any one day, and in no case shall the rate of pay for hours in excess of ten (10) in any one day be less than the rates fixed in subsections (b) and (c) hereof, respectively.

4. That when wages are paid on a piece-rate basis instead of on a time-rate basis the wages paid to every female employee in the fruit and vegetable canning industry shall be not less than the respective rates to which she is entitled under this Order.

5. That after not more than five (5) consecutive hours' employment every female employee in the fruit and vegetable canning industry shall be given at least one (1) hour free from duty: Provided, however, that if a petition in writing signed by at least seventy-five per centum (75%) of his female employees requesting a shorter period free from duty is received by any employer, he may, with the approval of the said Board, grant such petition, but in no case shall the period free from duty be less than half an hour.

6. That every employer shall, at least as often as semi-monthly, pay to his employees in the fruit and vegetable canning industry all wages and salary due to his employees, up to a day not more than seven (7) days prior to the date of payment.

7. That Order No. 46 of the Board, dated the 2nd day of July, 1937, is hereby varied accordingly.

8. That this Order shall become effective on the 1st day of June, 1939, and remain in force until and including the 31st day of December, 1939.

"MALE MINIMUM WAGE ACT."

ORDER No. 64.

Order establishing a Minimum Wage in the Fruit and Vegetable Canning Industry.

THE Board of Industrial Relations hereby orders:—

1. That where used in this Order the expression "fruit and vegetable canning industry" means and includes the work of males engaged in all operations in or incidental to the canning of any kind of fruit or vegetable.

2. That the minimum wage on a time-rate basis for every male employee twenty-one (21) years of age or over in the fruit and vegetable

canning industry (not included in any other Order of the Board), shall be not less than:—

- (a.) The sum of thirty-five cents (35c.) per hour for every hour up to ten (10) hours in any one day: Provided, however, that no such employee in any one day shall be paid less than the sum of one dollar and five cents (\$1.05):
- (b.) The sum of fifty-two and one-half cents (52½c.) per hour for every hour in excess of ten (10) hours and up to twelve (12) hours in any one day:
- (c.) The sum of seventy cents (70c.) per hour for every hour in excess of twelve (12) hours in any one day:

Provided that, in every case where any employee's regular rate of pay is in excess of the rate prescribed in subsection (a) hereof, no deduction shall be made from such regular rate to be applied to wages due for working overtime in excess of ten (10) hours in any one day, and in no case shall the rate of pay for hours in excess of ten (10) in any one day be less than the rates fixed in subsections (b) and (c) hereof, respectively.

3. That the minimum wage on a time-rate basis for every male employee under the age of twenty-one (21) years employed in the fruit and vegetable canning industry shall be not less than:—

- (a.) The sum of twenty-five cents (25c.) per hour for every hour up to ten (10) hours in any one day: Provided, however, that no such employee in any one day shall be paid less than the sum of seventy-five cents (75c.):
- (b.) The sum of thirty-seven and one-half cents (37½c.) per hour for every hour in excess of ten (10) and up to twelve (12) hours in any one day:
- (c.) The sum of fifty cents (50c.) per hour for every hour in excess of twelve (12) hours in any one day:

Provided that, in every case where any employee's regular rate of pay is in excess of the rate prescribed in subsection (a) hereof, no deduction shall be made from such regular rate to be applied to wages due for working overtime in excess of ten (10) hours in any one day, and in no case shall the rate of pay for hours in excess of ten (10) in any one day be less than the rates fixed in subsections (b) and (c) hereof, respectively.

4. That when wages are paid on a piece-rate basis instead of on a time-rate basis the wages paid to every male employee in the fruit and vegetable canning industry shall be not less than the respective rates to which he is entitled under this Order.

5. That the aggregate number of male employees under the age of twenty-one (21) years employed in any plant or establishment in the fruit and vegetable canning industry at the rates specified in section 3 hereof shall not exceed fifteen per centum (15%) of the whole number of male employees of any age in that plant or establishment.

6. That after not more than five (5) consecutive hours' employment every male employee in the fruit and vegetable canning industry shall be given at least one (1) hour free from duty: Provided, however, that if a petition in writing signed by at least seventy-five per centum (75%) of his male employees requesting a shorter period free from duty is received by any employer, he may, with the approval of the said Board, grant such petition, but in no case shall the period free from duty be less than half an hour.

7. That every employer shall, at least as often as semi-monthly, pay to his employees in the fruit and vegetable canning industry all wages and salary due to his employees, up to a day not more than seven (7) days prior to the date of payment.

8. That Order No. 47 of the Board, dated the 2nd day of July, 1937, is hereby varied accordingly.

9. That this Order shall become effective on the 1st day of June, 1939, and remain in force until and including the 31st day of December, 1939.

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM STANDING ORDERS RELATING TO PRIVATE BILLS.

100. (1.) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2.) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3.) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4.) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for

which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1.) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

- (a.) A printed copy of such Bill:
- (b.) A copy of the petition to be presented to the House:
- (c.) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2.) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3.) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1.) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2.) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3.) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first read-

ing. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated May 1st, 1930.

(25.) To subscribe for, take, acquire, hold, and sell stocks, shares, debentures, obligations, and securities of any company, or any supreme, municipal, public, or local board or authority:

(26.) To enter into partnership or into any arrangement for sharing profits, union of interests, co-operation, joint adventure, reciprocal concessions, or otherwise, with any person, persons, partnership, association, or corporation; to lend money to, guarantee the contracts of, or otherwise assist any person, association, or corporation, and in particular any person, association, or corporation being customers of or having any dealings with the Company, and to take or otherwise acquire shares and securities of any such person, association, or corporation, and to sell, hold, re-issue, with or without guarantee, or otherwise deal with the same, and to consolidate with or amalgamate with any other company having objects similar to those of this Company:

(27.) To sell, lease, exchange, surrender, mortgage, or otherwise deal with the whole of the undertaking and property and rights of the

Company, or any part thereof, for such consideration as the Company may think fit, and in particular for any shares (whether credited as partly or fully paid up or otherwise), debentures, or securities of any other company, and to divide such part or parts as may be determined by the Company of the purchase moneys, whether in cash, shares, or other equivalent, which may at any time be received by the Company on a sale of or other dealing with the whole or part of the property, estate, and rights of the Company amongst the members of the Company by way of dividend or bonus, in proportion to their shares, or to the amount paid up on their shares, or otherwise to deal with the same as the Company may determine:

(28.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of this Company, or for any other purpose which may seem, directly or indirectly, calculated to benefit this Company:

(29.) To obtain any Act of Parliament, or to apply to the executive authority for any order for enabling the Company to carry any of its objects into effect, or for effecting any modification of the Company's constitution, or for any other purpose which may seem expedient, and to oppose any proceedings or application which may seem calculated, directly or indirectly, to prejudice the Company's interests:

(30.) To enter into any arrangement with any Government or authorities (supreme, municipal, local, or otherwise) that may seem conducive to the Company's interest, and to obtain from any such Government or authority, or take over from other persons or companies possessed of the same, any rights, privileges, bonuses, or concessions which the Company may think desirable to obtain, and to carry out, exercise, and comply with any such arrangements, rights, privileges, and concessions:

(31.) To do all acts and things which may be necessary or desirable in connection with or to procure for the Company a legal recognition, domicile, and status in any colony, state, or territory in which any of its property, estate, effects, or rights may be situated or in which the Company may desire to carry on business, and to appoint local boards or committees, attorneys or agents, with such powers as the directors of the Company may determine, to represent the Company in any such colony, state, or territory:

(32.) To borrow or raise money for any purpose of the Company, and to secure the repayment of money and the interest thereon in such manner and on such terms as the directors may deem expedient, and in particular by the issue of bonds, debentures, or debenture stock charged upon the whole or any part of the undertaking, property, and assets of the Company, present or after acquired, including its uncalled capital:

(33.) To create, issue, make, sell, exchange, hypothecate, or otherwise deal with, draw, accept, endorse, discount, and negotiate perpetual or redeemable bonds, debentures, or debenture stock, promissory notes, bills of exchange, bills of lading, warrants, or other negotiable or non-negotiable obligations:

(34.) To lend money to the shareholders or directors of the Company, or any one or more of them, with or without security:

(35.) To make gifts and donations to any person, firm, or corporation for any purpose whatsoever, whether the said person, firm, or corporation be a member of this Company or not:

(36.) To pay out of the funds of the Company all expenses of or incidental to the formation, registration, and advertising of the Company, and to remunerate any person or company for services rendered or to be rendered in placing or assisting to place or guarantee-

ing the placing of any shares in the Company's capital, or guaranteeing any debenture or other securities of the Company in or about the formation or promotion of the Company or the conduct of its business:

(37.) To do all or any of the matters aforesaid, either as principals or agents, and either in the name of the Company or of any person or company as agent of the Company, and either alone or in concurrence with any person, company, Government, or other body or authority:

(38.) To do all such things as are in the opinion of the directors incidental or conducive to the attainment of the above objects, and so that the word "company" throughout this clause shall be deemed to include any Government, body, authority, partnership, association, or other body of persons, whether incorporated or not, and whether registered or domiciled in British Columbia or elsewhere:

(39.) The objects set forth in any subclause of this clause shall not, except when the context expressly so requires, be in anywise limited or restricted by reference to or inference from the terms of any other subclause or by the name of the Company. None of such subclauses, or the objects therein specified, or the powers thereby conferred shall be deemed subsidiary or auxiliary merely to the objects mentioned in the first subclause of this clause, but the Company shall have full power to exercise all or any of the powers conferred by any part of this clause in any part of the world, and notwithstanding that the business, undertaking, property, or acts proposed to be transacted, acquired, dealt with or performed do not fall within the objects of the first subclause of this clause.

ATTORNEY-GENERAL.

"FIRE MARSHAL ACT."

HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that in accordance with the provisions of section 46 of the "Fire Marshal Act," the regulations governing the manufacture, sale, storage, carriage, and disposal of inflammable liquids and oils, made by Order in Council No. 584, approved on the 8th day of May, 1931, and amended by Order in Council No. 813, approved the 24th day of June, 1931, and Order in Council No. 659, approved the 4th day of June, 1932, be further amended as follows:—

1. By inserting immediately before Regulation 1 of said regulations the heading:—

"PART I.

"GENERAL."

2. By striking out the words "these regulations" in the first line of Regulation 1, and substituting therefor the words "this Part."

3. By adding to the said regulations "Part II.," embodying Regulations 31 to 46, inclusive, in the terms of the regulations attached hereunder:—

"PART II.

"CARRIAGE OF INFLAMMABLE LIQUIDS.

"Interpretation.

"31. In this Part, unless the context otherwise requires:—

"Approved" means approved by the Fire Marshal or of a make or standard approved by him:

"Inflammable liquids" means any petroleum product other than liquefied petroleum gas which comes under either of the following classifications:—

"Class A: Any petroleum product which has a flash-point at or below 80° Fahr. as determined by closed-cup testers (the Tagliabue closed-cup tester to be conclusive in case of dispute), all tests being made in accordance with the methods adopted by some recognized society for testing materials, acceptable to the Fire Marshal; or

"Class B: Any petroleum product having a flash-point above 80° Fahr. and below 175° Fahr., determined as above:

"Motor-vehicle" means any vehicle in which inflammable liquids furnish the motive power:

"Officer" means the Fire Marshal or any person on the staff of the Fire Marshal authorized by the Fire Marshal in writing to exercise the powers vested in an officer under these regulations, or any local Assistant to the Fire Marshal constituted or appointed under section 6 of the 'Fire Marshal Act,' or any officer appointed by a Municipal Council to exercise the powers vested in an officer under these regulations:

"Operator" means any person driving, attending, or assisting in attending any motor-vehicle, whether tank-truck, tank-trailer, tank semi-trailer, or any other form of truck, which has a total load of more than fifty gallons of inflammable liquids:

"Tank-truck," "tank-wagon," "tank-trailer," or "tank semi-trailer" means any motor or other vehicle used for the carriage of inflammable liquids on the highways and which has a tank attached to the frame or chassis having a capacity in excess of fifty gallons.

"Application.

"32. This Part shall apply to the carriage of inflammable liquids where the quantity carried at any one time exceeds fifty gallons.

"Condition of Motor-vehicles.

"33. All motor-vehicles used for the carriage of inflammable liquids shall be in good repair, clean, free from leaks, and shall be equipped with rubber tires. They shall be so designed as to be not easily upset and shall have not less than four wheels.

"Drum Construction.

"34. All drums and containers for the carriage of inflammable liquids having a capacity of fifty gallons or less shall be of a size, material, and type complying with shipping container specification No. 5, or any authorized modification thereof, of the Board of Railway Commissioners for Canada or the Interstate Commerce Commission.

"Drum and Case Transportation.

"35. Drums or containers having a capacity of fifty gallons or less used for the carriage of inflammable liquids on any motor-vehicle shall be in a single tier only when full. No such drum or other like container which is in a leaky or defective condition shall be used for the carriage of inflammable liquids. Containers in cases having a capacity of not more than ten imperial gallons per case may be carried in more than one tier. Portable tanks having a capacity of over fifty gallons and not attached to the motor-vehicle shall have a capacity of not more than two hundred gallons and shall be built in full compliance with the specifications for tanks laid down in Regulation 42 of these regulations.

"Truck not to be left unattended.

"36. The operator of any motor or other vehicle used for the carriage of inflammable liquids shall not leave the said vehicle unattended while it is being filled or discharged. Delivery-hose shall be deemed to be a part of the vehicle. All tank-trucks when not so attended, whether full or empty, shall be kept in an approved building or enclosed yard which must be securely locked.

"No Smoking.

"37. The operator or any person helping him shall not smoke nor permit smoking anywhere around any motor or other vehicle used for the carriage of inflammable liquids at any time.

"Fire-extinguishers.

"38. Each motor or other vehicle used for the carriage of inflammable liquids shall be equipped with at least one approved hand fire-extinguisher of a non-freezing type suitable for extinguishing inflammable liquid fires. Such fire-extinguisher or fire-extinguishers shall be kept in a readily accessible place on the vehicle and shall be maintained in first-class operating condition at all times.

"Stopping of Motors.

"39. The motors of such motor-vehicles shall be stopped during the entire process of loading and unloading, except that if the loading or unloading is done by power-pump on such vehicle the motor shall be stopped during the making and breaking of the hose connections.

"Filling-hose.

"40. The hose used in connection with filling and unloading such motor or other vehicle shall be of approved antistatic type and shall be equipped with nozzles of non-ferrous metal. This nozzle shall make contact with the tank being filled during filling operations.

"Lighting.

"41. All vehicles used for the carriage of inflammable liquids shall be lighted by electricity only. Lighting circuits shall have approved overload protection. The wiring shall

have ample carrying capacity and mechanical strength. It shall be suitably secured, insulated, and protected against physical damage.

"Tank Construction.

"42. All tanks for the carriage of inflammable liquids having a capacity of more than fifty gallons shall be built to the following specifications:—

"(a.) *Material, Capacity, and Gauge.*—Except as hereinafter provided, tanks shall be constructed throughout of open-hearth steel or blue annealed steel, of a thickness and gauge in accordance with the provisions of the following table:—

Aggregate Capacity (Gallons).	MINIMUM THICKNESS OF MATERIAL.	
	Shell.	Head.
Up to 600 gals.	14-gauge U.S. Std.	14-gauge U.S. Std. if bilged or corrugated, otherwise 12-gauge.
600 to 1,200 gals.	12-gauge U.S. Std.	12-gauge U.S. Std. if bilged or corrugated, otherwise 10-gauge.
Over 1,200 gals.	10-gauge U.S. Std.	8-gauge U.S. Std.

"Tanks, exceeding 1,200 gallons in capacity, may be constructed with 12-gauge shells and 10-gauge heads, provided they are subdivided into compartments of 600 gallons or less and are mounted on chassis equipped with low-pressure balloon tires. Material other than that specified above may be used in thickness which will give strength equivalent to that of open-hearth or blue annealed steel:

"(b.) *Joints.*—Shell and head joints shall be welded, riveted and welded, brazed or riveted, and brazed, riveted, and caulked, or made tight by some equally satisfactory process:

"(c.) *Test.*—Each compartment of the completed tank shall be tested and proven tight at five pounds minimum pressure:

"(d.) *Tank Outlets.*—Outlets shall be substantially made and attached to the tank so as to prevent breakage at outlet point and so as to permit complete drainage:

"(e.) *Bulkheads.*—Tanks with compartments carrying fluids of different classes shall be provided with an air-space between the compartments. Such air-space shall be equipped and maintained with drainage facilities:

"(f.) *Compartments in Tank.*—Tanks for Class A inflammable liquids in excess of 600 gallons capacity shall be divided into compartments, none of which shall exceed 600 gallons capacity. A tolerance of 10 per cent. shall be allowed for individual compartment capacities. No tank compartment shall be loaded to a volume in excess of 99¼ per cent. of its capacity. This requirement shall not be construed as prohibiting the use of single compartment tanks of capacity in excess of the above limitations for freight or bulk hauls between cities, provided tanks of such capacity are not used for distribution purposes within city limits:

"(g.) Tanks shall be adequately supported and securely bolted or clamped to the frame of truck or trailer:

"(h.) *Vents.*—Each compartment shall be provided with a vacuum and pressure

operating vent with a minimum effective opening of 0.44 square inch. Each compartment carrying Class A inflammable liquids shall be provided with venting facilities so constructed as to provide a minimum free opening equivalent to a circular hole 1 and 29/32 inches in diameter for the purpose of relieving such internal pressures as may be created by exposure fires. If the emergency venting facilities incorporate a fusible element, the fusing temperature of the element shall not exceed 200° F.:

"(j.) *Valves and Faucet Connections.*—All draw-off valves or faucets shall have discharge end threaded or shall be so designed as to permit being tightly connected to hose extending to fill-pipe:

"(k.) *Protection against Collision.*—Draw-off valves or faucets projecting beyond frame at rear of vehicle shall be adequately protected against collision by steel bumpers or other means of equal protection:

"(i.) *Emergency Discharge Control.*—Each compartment of a gravity discharge-tank used for carriage of Class A inflammable liquids shall be equipped with a reliable and efficient shut-off valve located inside the shell of the tank in the compartment outlet; and, except during delivery operations, such valves shall be kept closed. The operating mechanism for such valves shall be provided with a secondary control, remote from the tank-filling parts and discharge faucets, for use in event of accidents or fire during delivery operations; and such control mechanism shall be provided with a fusible section which will cause valves to close automatically in case of fire. In every case there shall be provided, between the shut-off valve-seat and discharge faucet, a shear section which will break under strain, unless the discharge piping is so arranged as to afford the same protection and leave the shut-off valve-seat intact:

"(m.) *Grounding.*—Tank, chassis, axles, and spring shall be metallically interconnected. Tank-trucks, tank-trailers, and tank semi-trailers shall be equipped with drag-chains or other flexible metallic device long enough to reach the ground in order to ground such static charges as may be present:

"(n.) *Filling-pipe.*—During the filling operation metallic contact shall be maintained between the fill-pipe and the tank-truck:

"(o.) *Can-boxes.*—Can or bucket boxes in tank-trucks, tank-trailers, and tank semi-trailers used for the carriage of Class A inflammable liquids shall be so constructed or lined as to prevent sparking:

"(p.) The owner of any such tank-truck, tank-trailer, or tank semi-trailer shall supply the Fire Marshal with a certificate from the manufacturers that it has been constructed in full compliance with these specifications before it is put into service.

"Tank-truck Fuel Systems.

"43. Fuel systems on tank-trucks:—

"(a.) *Fuel-tanks.*—The main fuel-tank shall not be placed over or adjacent to the engine. It shall be constructed and mounted in such a manner as to present no unusual hazard. Tanks shall be arranged to vent during filling operations and to permit draining without removal from the mounting:

- “(b.) *Fuel-feed System.*—Fuel-feed system shall be constructed and located so as to minimize fire-hazard. When necessary, a pressure-release device shall be provided:
- “(c.) *Fuel-line.*—The fuel-line shall be of proper material, having all connections made with suitable fittings; it shall be equipped with shut-off valve and shall be supported to prevent chafing and vibration:
- “(d.) *Carburettor.*—The carburettor shall be so constructed and installed that the fire-hazards involved by its use shall be reduced to a minimum. Direct drainage of overflow gasoline shall be provided for:
- “(e.) *Construction and Installation.*—All parts of the fuel-feed system shall be constructed and installed in a workmanlike manner.

“*Tank-truck Exhaust Systems.*

- “44. Exhaust systems on tank-trucks:—
- “(a.) The exhaust system, including muffler and exhaust-line, shall have ample clearance from the fuel system and combustible materials and shall not be exposed to accumulations of grease, oil, or gasoline:
- “(b.) The exhaust system, including all units, shall be constructed and installed in a workmanlike manner. Muffler cut-out shall not be used.

“*Tank-trailers and semi-trailers.*

- “45. Tank-trailers and tank semi-trailers:—
- “(a.) All tank-trailers shall be firmly and securely attached to the vehicle drawing them by means of suitable draw-bars, supplemented by safety-chains:
- “(b.) Every tank-trailer or tank semi-trailer shall be equipped with a reliable system of brakes, and adequate provision shall be made for its efficient operation from the driver’s seat of the towing vehicle:
- “(c.) Each tank-trailer or tank semi-trailer shall be provided with side-lights and a tail-light:
- “(d.) Four-wheeled tank-trailers shall be of the fifth-wheel or of an equivalent type of construction which will prevent the towed vehicle from whipping or swerving from side to side dangerously or unreasonably, and will cause it to follow substantially in the path of the towing vehicle.

“*Tank-truck Repairs.*

“46. No repairs which require the application of heat shall be permitted on any tank-truck until a certificate from a pharmaceutical chemist licensed under the ‘Pharmacy Act’ is furnished to an officer that said truck is free of all explosive and inflammable gases.”
